Kancheepuram N. "Guna" Gunalan , Ph.D., P.E., D.GE. F.ASCE
ASCE President Elect Nominee
Murry UT

I have reviewed the election materials provided by the Nominees for the office of President-elect, for a term commencing October 2018. Please accept this document as my personal endorsement of Mr. Kancheepuram N. "Guna" Gunalan for the position of President-elect.

I have known of Kancheepuram N. "Guna" Gunalan since 2005 when Guna became my Region 8 Director. I got to know Guna personally in 2011 working on the ASCE Annual Conference in Montreal Canada. Guna was the Program Committee Chair; I was a member of the committee. Guna has significant leadership and organizational skills and with his many years of experience knows a vast body of experts. The conference was a success and Guna was very effective. We have continued to work together on Annual Conferences/Conventions in 2015, 2016 and 2017. I have found Guna to be respectful, insightful and professional in our dealings.

Guna has shown through his actions that he is committed to the American Society of Civil Engineers, professionalism, ethical behavior and is passionate about the field of engineering and the members. I truly enjoy working with Guna and believe he will make an outstanding ASCE President Elect and President of our organization

To reiterate, please accept this document as my personal endorsement of Kancheepuram N. "Guna" Gunalan for the position of ASCE President Elect 2018.

Respectfully submitted,
