K. N. Gunalan, Ph.D., P.E., D.GE., F.ASCE
President Elect Nominee
Vice President AECOM

Dear Dr. Gunalan:

I am honored to submit this letter as my personal endorsement for your nomination for the President Elect of ASCE for the term commencing October 2018. It has been my pleasure to serve with you on various ASCE committees for over 9 years. I greatly appreciate your long and outstanding service to ASCE, specifically serving as the President of the Utah Section, Governor of Region 8, Governor of Geo-Institute, and the Chair of ASCE's Global Engineering Conference in Panama. Since our areas of practice are the same, I know very well about your exceptional service to the profession of Civil Engineering. I have no doubt that your service to ASCE as the President Elect and President would help us grow our profession and prepare future civil engineers who are prepared to accept challenges of 21st century projects. I truly believe ASCE and our profession needs your leadership to further uplift our profession. Please feel free to contact me you need any further information or clarification.

Respectfully submitted,
