

March 26, 2018

The Younger Members Forum (YMF) of the Utah section of the American Society of Civil Engineers (ASCE) fully endorses K.N. Gunalan for the position of ASCE national president. We believe that his dedication to the industry, technical experience and commitment to ASCE makes him a strong candidate who will serve the organization to its full list of potential.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Ashley MacMillan".

Ashley MacMillan, P.E.  
ASCE Utah YMF - Past President
